

Pronunciation 🗣️ Stressed Syllables Before *-tion* Suffix

The syllable before the suffix *-tion* is stressed. This means the sound is a little longer and louder than other syllables in the word.

Listen and repeat. Put the stress on the syllable in bold:

1. popu**l**ation
2. transpor**t**ation
3. pronun**ci**ation
4. pollu**t**ion
5. **e**motion
6. **a**ttention
